

6-Week Summer *Reading Intensive*

Stop the summer slide. Start real progress.

AGES 5-10

6 WEEKS · ENROLLING NOW

IN YOUR HOME · WEST MICHIGAN

✦ THE SLP DIFFERENCE

Strong language skills are the foundation for reading.

Struggling readers don't have a motivation problem — most reading difficulties are rooted in **language-based skills** that SLPs are uniquely trained to address. I use a structured literacy approach grounded in the Science of Reading to build phonological awareness, decoding, and comprehension. This isn't tutoring. It's targeted, evidence-based intervention.

WHAT'S INCLUDED IN EVERY PROGRAM

- ✓ Screening & individualized goals
- ✓ All session materials provided
- ✓ Written progress report
- ✓ Parent coaching each visit

IS THIS RIGHT FOR YOUR CHILD?

If your child dreads reading aloud, avoids books, guesses at words, comes home from school defeated — or is struggling to keep up, falling behind grade level, or has an IEP — you've found the right person. Real answers and a real plan, starting this summer.

SKILLS WE BUILD

**Phonological
awareness**

**Decoding &
phonics**

**Reading
comprehension**

**Vocabulary &
language**

**Confidence &
motivation**
